The phone number for the training is a toll-free number, but your cell phone provider may charge you for the minutes used. In order to hold a training session, we must have a minimum of four (4) people; if there are less than four (4) people registered for any one session, the session will be cancelled and you will be asked to join another session. Attendance is limited at each training session to no more than twelve (12) people. You are encouraged to gather in groups at one location. In that case only one computer is necessary to login. Registration is on "first-come, first-serve" basis. Alateens are welcome and can attend individually or with their sponsor or an AMIAS.
